

THE DIRECTOR OF
CENTRAL INTELLIGENCE

NIC 8123/83/1
9 November 1983

National Intelligence Council

NOTE FOR: Director of Central Intelligence

FROM: John Horton
NIO for Latin America

SUBJECT: Cuban Capabilities to Destabilize
Grenada

Attached is our response to your request of 7 November for a paper on Cuban efforts to destabilize Grenada. The concerns you raise in paragraph three have already been addressed in the talking points we provided yesterday for your meeting with Admiral Poindexter. We will also be reviewing some of this ground in more detail in the Interagency Intelligence Assessment on the Grenadian security situation which Tony Motley has asked for by COB Thursday.
